

70's retro theme

- Curved lines
- Based on an era defined by peace
- Floral patterning
- Colourful but often muted
- Frequently stays from minimalism or any harsh colours such as white and black
- Complex textures combined with each other; carpets to walls etc...
- Warm lighting as opposed to harsh cool toned lights
- Lots of orange/ brown tones
- Elevated earthy tones
- Eclectic
- Lots of clutter & decorative material such as plants, shelves, lampshades...
- Bohemian
